Achilles' most famous story is his role in the Trojan War. When the Trojans abducted Helen, the wife of Menelaus, king of Sparta, Achilles joined the Greek forces to fight against them. Achilles fought bravely and killed many Trojans, including the Trojan prince Hector.

However, Achilles' pride led to his downfall. He refused to fight after Agamemnon, the leader of the Greek forces, took Briseis, his war prize, from him. This led to the death of Patroclus, Achilles' best friend. Achilles was so enraged by Patroclus' death that he returned to battle and killed Hector in revenge.

Achilles' death was as glorious as it was tragic. He was killed by an arrow to the heel, his only vulnerable spot. Achilles' death marked the end of the Trojan War and the fall of Troy.
