Albert is a small tree who lives in a forest with his friends, a tall oak tree, a maple tree, and a birch tree. Albert's friends are all much taller than him, and they often tease him about his size. But Albert doesn't mind. He knows that he is special, and he dreams of one day being as tall and mighty as his friends.

One day, a storm comes to the forest. The wind is strong and the rain is heavy. Albert's friends are all afraid, but Albert is not. He stands tall and faces the storm head-on. The storm rages for hours, but Albert never gives up. He stands tall and strong, and he protects his friends from the wind and the rain.

When the storm finally passes, Albert's friends are amazed. They realize that Albert is not just a small tree. He is a brave and courageous tree, and he is destined for great things.
