Dukor's dream came true when he was 18 years old. He was drafted into the Soviet Army, and he served for two years. After his service, he immigrated to the United States. He arrived in New York City with only \$50 in his pocket, but he was determined to make a new life for himself.

Dukor worked hard and learned English. He went to college and got a degree in computer science. He also joined the US Army and served in the

Iraq War. After his service, he became a US citizen.

Dukor's story is an inspiring example of the American dream. He overcame incredible obstacles to achieve his goals. He is a living proof that anything is possible if you have the courage to dream big and the determination to work hard.

Dukor's memoir, *An Immigrant Odyssey*, is a powerful and moving account of his journey. The book is full of insights into the immigrant experience, the challenges of assimilation, and the power of the American dream.

An Immigrant Odyssey is a must-read for anyone who is interested in immigration, memoir, or the history of the United States. It is a story that will inspire you and stay with you long after you finish reading it.
