The book is written by Chris Karcher, a former professional surfer who left the world of competitive surfing to find his true calling. After traveling the world and experiencing different cultures, Chris realized that the key to happiness is to live in the present moment and to follow your dreams. The Barefoot Surfer View Of The Universe shares the lessons that Chris has learned on his journey to self-discovery and provides practical advice on how to apply these lessons to your own life.

The book is divided into three parts. The first part, "The Beach," explores the importance of living in the present moment. The second part, "The

Wave," discusses the power of following your dreams. The third part, "The Universe," provides a glimpse into the interconnectedness of all things.

The Barefoot Surfer View Of The Universe is a beautifully written book that is full of wisdom and inspiration. It is a book that will stay with you long after you finish it. If you are looking for a book that will change your life, then this is the book for you.
