Print length : 32 pages

The Battle of Bunker Hill, fought on June 17, 1775, is widely considered to be one of the most important battles of the American Revolution. The battle was a bloody and costly affair, with both the British and American forces suffering heavy losses. However, the battle also played a pivotal role in shaping the course of the war, and it is remembered today as a symbol of American courage and determination.

In recent years, there has been a growing interest in the Battle of Bunker Hill, and a number of new books have been published on the subject. One of the most recent and most comprehensive of these books is "Battle of Bunker Hill: Behind the Curtain" by historian John Smith.

Smith's book is a meticulously researched and well-written account of the battle. He draws on a wide range of sources, including firsthand accounts from participants in the battle, to provide a detailed and nuanced understanding of the events that unfolded on that fateful day. Smith also

challenges some of the traditional interpretations of the battle, offering a fresh and insightful perspective on this important event.

One of the most striking things about Smith's book is his focus on the human side of the battle. He tells the stories of the individual soldiers who fought and died at Bunker Hill, and he explores the motivations and experiences of both the British and American forces.

Smith also provides a fascinating account of the political and military context of the battle. He shows how the Battle of Bunker Hill was part of a larger struggle for control of the American colonies, and he explores the impact of the battle on the development of the American Revolution.

Overall, "Battle of Bunker Hill: Behind the Curtain" is a must-read for anyone interested in the American Revolution. Smith's book is a comprehensive and well-written account of the battle, and it offers a fresh and insightful perspective on this important event.
