Despite their importance, services pose unique marketing challenges compared to tangible products. Their intangible nature, inherent variability, and reliance on customer interactions add complexity to the marketing process. To navigate these challenges effectively, marketers require specialized knowledge and a deep understanding of the unique characteristics of services.

**Enter Essentials of Services Marketing by Juilee Decker**

Essentials of Services Marketing is a comprehensive and authoritative guide that empowers marketers with the essential knowledge and strategies to excel in the services industry.

## Key Features and Benefits
