In her new book, *Lead Like a Woman: Tales From The Trenches*, Susan Colantuono provides a roadmap for women who want to lead with confidence, authenticity, and impact. Through real-life stories and actionable advice, she shows you how to:

* Overcome the imposter syndrome and self-doubt that can hold you back *
Build a strong network of support * Find your unique leadership style *
Create a more inclusive and equitable workplace for everyone

If you're ready to lead like a woman, this book is your guide.

Chapter 1: The Power of Authenticity

One of the most important things you can do as a leader is to be authentic. This means being true to yourself and your values, and leading from a place of integrity. When you're authentic, people will be more likely to trust and follow you.

But being authentic can be challenging, especially in a world that often expects women to conform to certain stereotypes. In this chapter, Susan Colantuono shares her own experiences of finding her authentic voice as a leader. She also provides practical tips on how you can be more authentic in your own leadership role.

Chapter 2: Overcoming the Imposter Syndrome

The imposter syndrome is a common experience for many women, especially those in leadership positions. It's the feeling that you're not as smart, capable, or deserving as others think you are. This can lead to self-doubt, anxiety, and even paralysis.

In this chapter, Susan Colantuono provides a roadmap for overcoming the imposter syndrome. She shares her own experiences with this phenomenon, and she offers practical tips on how you can challenge your negative thoughts and build your confidence.

Chapter 3: Building a Strong Network of Support

As a woman in leadership, it's essential to have a strong network of support. This network can provide you with emotional support, mentorship, and advice. It can also help you to connect with other women who are facing similar challenges.

In this chapter, Susan Colantuono shares her tips for building a strong network of support. She shows you how to identify the people who can help you the most, and she provides advice on how to build and maintain relationships with these individuals.

Chapter 4: Finding Your Unique Leadership Style

There is no one-size-fits-all approach to leadership. Every leader has their own unique style. The key is to find a style that works for you and that aligns with your values and goals.

In this chapter, Susan Colantuono helps you to identify your own leadership style. She provides a framework for understanding the different types of leadership styles, and she offers tips on how you can develop your own unique style.

Chapter 5: Creating a More Inclusive and Equitable Workplace for Everyone

One of the most important things you can do as a leader is to create a more inclusive and equitable workplace for everyone. This means creating a work environment where everyone feels valued, respected, and supported.

In this chapter, Susan Colantuono provides a roadmap for creating a more inclusive and equitable workplace. She shares her own experiences of creating a more inclusive culture, and she offers practical tips on how you can do the same.

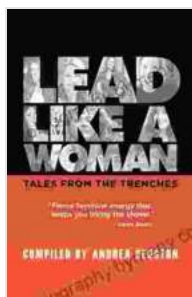

Leading like a woman is not about being perfect. It's about being authentic, confident, and impactful. It's about creating a more inclusive and equitable workplace for everyone.

If you're ready to lead like a woman, this book is your guide.
