As Laura sheds societal expectations and embraces the raw elements, she encounters extraordinary challenges and unexpected blessings. Through encounters with wolves, bears, and wise elders, she uncovers hidden strengths and rediscovers the power of vulnerability. With each step into the wild, she peels back layers of fear and self-doubt, revealing the untamed and indomitable spirit that lies within.

Some Like It Wilder is a gripping memoir that weaves together adventure, personal growth, and a profound exploration of what it means to live a life that is truly our own. It is a testament to the transformative power of nature, the importance of embracing our wild instincts, and the courage to forge a path less traveled.
