Once upon a time, there was a beautiful unicorn named Sparkle. She lived in a magical forest with her friends, a group of woodland creatures. Sparkle was a kind and gentle unicorn, and she loved to play with her friends.

One day, Sparkle was playing in the forest when she came across a group of mean goblins. The goblins were teasing a baby deer, and Sparkle knew that she had to do something to help.

Sparkle charged at the goblins, and her horn glowed with a bright light. The goblins were so scared that they ran away, and the baby deer was safe.

The baby deer's mother thanked Sparkle for saving her child. Sparkle was so happy that she had been able to help, and she knew that she had made a new friend.

Sparkle and the baby deer played together for the rest of the day, and they quickly became best friends. Sparkle learned that friendship is important, and that it's always worth standing up for what you believe in.

The end.
