Are you looking for a comprehensive guide to strategic management? Look no further than Strategic Management At Glimpse. This book provides a clear and concise overview of the strategic management process, from developing a strategic vision to implementing and evaluating strategic plans.

Strategic Management At Glimpse is written by a team of experts in the field of strategic management. The authors have decades of experience in helping businesses develop and implement successful strategic plans. In this book, they share their knowledge and insights with readers in a clear and engaging way.

Strategic Management At Glimpse is divided into three parts.

1. **Part 1: The Foundations of Strategic Management**
2. **Part 2: The Strategic Management Process**
3. **Part 3: Implementing and Evaluating Strategic Plans**

In Part 1, the authors provide an overview of the key concepts of strategic management. They discuss the importance of strategic vision, the different types of strategic plans, and the role of strategic leadership.

In Part 2, the authors walk readers through the strategic management process. They explain how to develop a strategic vision, conduct a strategic analysis, and formulate strategic plans. They also discuss the importance of implementing and evaluating strategic plans.

In Part 3, the authors provide guidance on how to implement and evaluate strategic plans. They discuss the different methods of implementing strategic plans, the importance of monitoring and control, and the role of evaluation in strategic management.

Strategic Management At Glimpse is an essential resource for anyone who wants to learn more about strategic management. This book is a valuable tool for business leaders, managers, and students alike.
