In the small town of Warsaw, Indiana, there lived a young boy named Charlie and a neglected horse named Snowman. Charlie's family was poor, and Snowman was a burden to his owner. But Charlie saw something special in Snowman, and he was determined to save him.

Charlie and Snowman became best friends. They spent hours together, exploring the woods and playing in the fields. Snowman gave Charlie a sense of purpose and belonging, and Charlie gave Snowman a chance to feel loved and appreciated.

But their friendship was threatened when Snowman's owner decided to sell him. Charlie was heartbroken, but he knew he couldn't let Snowman go. So

he and his family scraped together every penny they had and bought Snowman for eighty dollars.

With Snowman by his side, Charlie's life began to change. He started to believe in himself, and he began to dream of a better future. Snowman gave Charlie the courage to stand up to bullies, to pursue his dreams, and to never give up on himself.

The Eighty Dollar Champion is a heartwarming story about the power of friendship, generosity, and resilience. It is a story that will inspire you to believe in yourself and to never give up on your dreams.
