If so, then you need to read this book. *The Revolutionary Program That Gets Your Kids To Listen Without Nagging, Reminding, or Yelling* is a step-by-step guide to teaching your children to listen to you the first time, every time.

This program is based on the principles of positive parenting, which means that it focuses on building a strong relationship with your children and

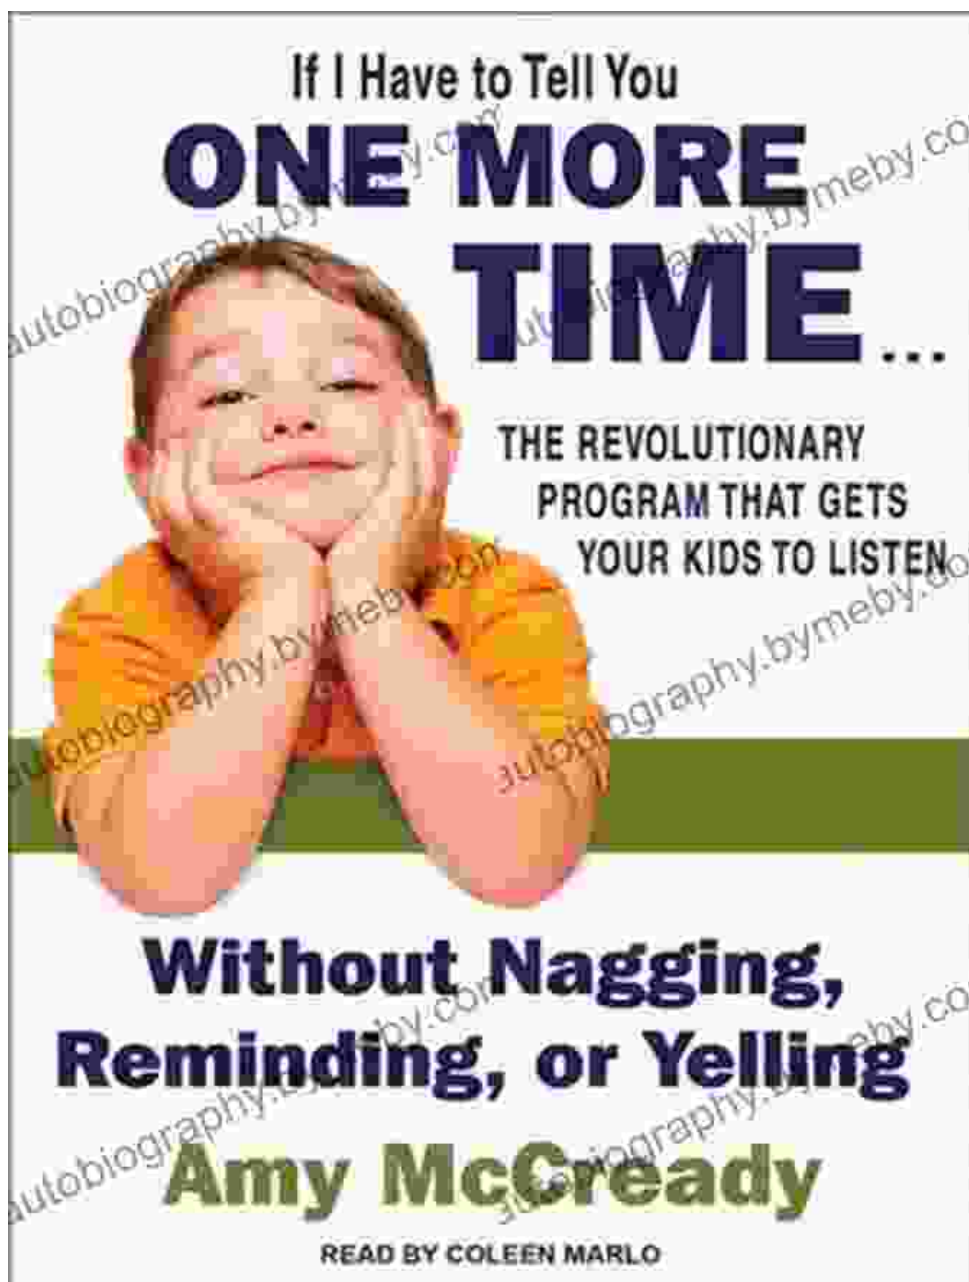

teaching them through love and respect. The program is also based on the latest research on child development, which shows that children are more likely to listen to their parents when they feel connected to them and when they understand the reasons for the rules.

The program is divided into four parts:

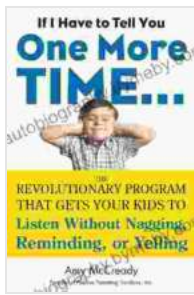

1. **Building a Strong Relationship:** This part of the program will help you to build a strong relationship with your children based on love, respect, and trust. You will learn how to connect with your children on their level and how to show them that you care about them.
2. **Understanding Child Development:** This part of the program will help you to understand how your children think and feel. You will learn about the different stages of child development and how to best parent your children at each stage.
3. **Setting Clear Expectations:** This part of the program will help you to set clear expectations for your children. You will learn how to create rules and boundaries that are age-appropriate and that your children can understand. You will also learn how to enforce your expectations in a positive and consistent way.
4. **Teaching Your Children to Listen:** This part of the program will teach you how to teach your children to listen to you the first time, every time. You will learn how to use positive reinforcement, how to deal with resistance, and how to develop a strong sense of self-discipline in your children.

The Revolutionary Program That Gets Your Kids To Listen Without Nagging, Reminding, or Yelling is the only program you need to get your

kids to listen to you. It is a proven program that is based on the latest research on child development and positive parenting.
