Once upon a time, in a lush green meadow, there lived a young rabbit named Pyotr. Pyotr was a curious and playful rabbit, and he loved to explore the forest that surrounded his home.

One sunny day, as Pyotr was hopping through the forest, he came across a group of other rabbits. The rabbits were all gathered around a large bush, and they were talking excitedly.

"What's going on?" Pyotr asked.

"We're getting ready for Easter!" one of the rabbits replied. "We're going to hide eggs all over the forest, and then the children will come and find them."

Pyotr had never heard of Easter before, but it sounded like fun. He asked the other rabbits if he could help them hide the eggs, and they said yes.

For the next few days, Pyotr and the other rabbits worked together to hide eggs all over the forest. They hid them in trees, in bushes, and even in the

burrows of other animals.

On Easter morning, Pyotr woke up early and joined the other rabbits in the meadow. Soon, the children arrived, and they began to search for the hidden eggs.

Pyotr watched as the children laughed and played, and he felt happy that he had been able to help make their Easter special.

As the sun began to set, Pyotr and the other rabbits gathered together in the meadow. They shared stories and songs, and they celebrated the joy of Easter.

The Spring Rabbit is a heartwarming tale that celebrates the joy of Easter and the importance of helping others. With its vibrant illustrations and simple message, this book is perfect for children of all ages.
