The Years of Zero is a powerful and moving novel that explores the themes of love, loss, and redemption. Set against the backdrop of a post-apocalyptic world, the novel follows the journey of a young woman named Anya as she struggles to survive and find meaning in a world that has been torn apart. Along the way, she meets a cast of unforgettable characters who help her to heal, grow, and find her place in the world.

The novel begins with Anya waking up in a hospital bed, with no memory of who she is or how she got there. As she slowly pieces together her past, she learns that she was once a doctor who worked in a refugee camp. Anya sets out on a journey to find a new home, and along the way she meets a group of other survivors who have also lost everything. Together, they form a community and try to build a new life for themselves. However, the world is a dangerous place, and they must constantly be on guard against raiders and other threats.

As Anya and her companions travel, they encounter many challenges. They must learn to trust each other, to forgive each other, and to find hope
