

Triangle: The Fire That Changed America

On March 25, 1911, a fire broke out in the Triangle Shirtwaist Factory in New York City. The fire quickly spread through the factory, trapping the workers inside. In less than half an hour, 146 people were dead. The Triangle Shirtwaist Factory fire was one of the deadliest industrial disasters in American history.

The fire had a profound impact on the American labor movement. In the wake of the fire, workers began to demand better working conditions and safety regulations. The fire also led to the creation of new labor laws, such as the Factory Investigating Commission and the New York State Factory Investigating Commission. These laws helped to improve safety conditions in factories and workplaces across the country.

Triangle is a gripping and eye-opening account of one of the deadliest industrial disasters in American history. This book tells the story of the 146

garment workers who died in the Triangle Shirtwaist Factory fire on March 25, 1911. The fire was a turning point in the American labor movement and led to the creation of new safety regulations and labor laws. Triangle is a must-read for anyone interested in American history, labor history, or social justice.
